32 Chester Street, Oakleigh VIC 3166

Patient Information:

For consultations, ECG, Echocardiogram, Holter Monitor, Blood Pressure Monitor and PPM/ICD checks no specific preparation is required.
 For Stress Echocardiogram please wear comfortable clothing for walking on a treadmill.
 For all consultations and tests please bring your referral and a full list of medications as well as recent blood tests, xrays etc.
 Your doctor has recommended that you use Bayside Heart. You may choose another provider but please discuss this with your doctor first.
